WELCOME TO THE DINAH

Mariah Hanson

Thank you for celebrating our 30th Anniversary with us.

It's been a poignant year and a half. Many of you have personally experienced tragic loss from the pandemic. All of us have been touched by it in ways we will never forget.

It is the Dinah Team's hope this year that we can help you create connection, inspiration and joy as we learn how to safely come together in such uncertain times. It's more important than ever to celebrate our lives, through music and simply being together, finally. If the last year proved anything, it proved we should never take each other for granted. Our lives are precious and our need to connect and be together is affirmed in ways I hope we all continue to carry with us long after this pandemic is over.

And yet, the truth is, the pandemic is not over. We're gathering here with a sacred trust that all who attend are covid free. This is primarily why I have asked all vaccinated attendees to take a home test 24 hours prior to arriving as one extra precaution to ensure we come together safely. It's not mandatory, but we do hope you take this last step to make sure you are Covid free. Let our community be a pioneer in gathering safely during Covid. We have to take care of each other so that we can show the world The Dinah knows how to gather safely because our community gathers responsibly.

Please read our Covid protocols at <https://thedinah.com/dinah-safety>, especially our Covid warning.

We want to be very clear that while we have gone to great extent to create a safe environment for you to gather, we cannot guarantee The Dinah will be Covid free. A Covid free environment is also up to each of you, which is why we are hoping you take an extra precaution and do a rapid Covid home test before you attend. Please also note: The current Palm Springs' law requires masks be worn inside all businesses. This means while in the lobby of the Hilton, for instance, you will have to mask up but once in the pool, you can choose to be without a mask.

If you go to a restaurant or Bar/nightclub in town, you must show proof of vaccination or recent negative Covid test to gain entry. Businesses require masks. It is not required at The Dinah, but we are taking the extra step of also recommending you wear masks inside all nighttime Dinah events, and to always social distance. We talk about kindness every year at The Dinah, about reaching out a hand to make another feel welcome heard and valued. I can't emphasize how important that message is this year, as it also means kindness through personal responsibility so that we all remain healthy and covid free.

In 2019 I wrote the following in my intro to you and it bears repeating:
"This weekend, let's be the change we want to see happen. We want the world to be more inclusive, more loving, more equal, and so much more kind. So, let's be and do that here. Reach out. Be brave. Be inclusive. Be kind. Smile. Laugh. Invite community in by becoming the community you want to create. Do this safely and responsibly. Say hello to a stranger. Be kind just because. Help out someone in need this weekend. Be thoughtful. Hold a door open for someone and smile. Make it a point to connect with people you have never met before. You'll be surprised how many people you meet have amazing stories to tell. Exchange your stories. You have amazing stories to tell, too.

Set your intention to be unafraid to live unabashedly committed to a sense of the greater good – and this year that means staying safe, insuring you are Covid free, and gathering responsibly."
Have an amazing Dinah.
